

ADMISSION TO MEARE VILLAGE PRIMARY SCHOOL

To apply for a place during the school year you need to complete an in-year application form. You can either download one from the link below, collect one from the school office or telephone Somerset County Council Admissions and Entitlements Team on 01823 355840 to have one sent to your home.

In Year Application form

Please bear in mind that places can only be offered up to a maximum of half a term or six weeks in advance of when the place would be taken up.

You must be a Somerset resident or have proof you will be living at a Somerset address in order to apply to Somerset School Admissions Team for a school place. This will be the exchange of contracts letter from a solicitor on a house buy or a minimum six month signed tenancy agreement. If neither is available please contact the School Admissions Team to consider your circumstances. If you do not live in Somerset you will need to apply to your home authority.

Outcomes of applications are usually decided within 10 school days. If a place is not available in the appropriate year group (currently our admission number is set at 17 for each year group except for Reception which is 18), you will be refused and notified of your right to appeal to an independent panel against the decision.

If your child is due to start school for the first time or due to transfer to a secondary school you can:

- Download an application form or apply for a place online at www.somerset.gov.uk/admissions. Please be aware there are strict deadlines to be adhered to which can affect placements allocated.
