

Autumn Term 1	Better Together								
	Our learning quest is PSHE-based: exploring themes of friendship, co-operation, collaboration and our place in the world.								
Maths <i>White Rose SOL</i>	Here We Are: Notes for Living on Planet Earth by Oliver Jeffers This heartfelt and thought-provoking book is a gift to all children at this time, helping them to make sense of their world and their role in it. We chose this book to build a sequence of work around because it provides a powerful vehicle for children to reflect on and make sense of the world that we are all living in. The words and pictures work together to help children to understand their place in the world and to move forward together in a positive and constructive way.		Number: Place Value		Number: 4 Operations
