Dear Parent/Carer

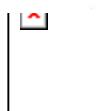

It has been another successful year starting with our highly successful Peace Festival launching our Learning Quest 'Time for Change' and culminating in the wonderful KS2 performance of 'All The World's A Stage. Children have enjoyed visits out including Bristol Zoo, Bishop's kLydeard, Alton Towers and The Houses of Parliament and visits from a film crew, fire fighters, photographers, MP and many more. The children have responded exceptionally positively to the introduction of Mystery Mondays, have SKYPED our link school in China and raised money for Sport Relief. We have refurbished our library and restocked with guided reading and non-fiction books. We continue to support other local schools through the Local Leader of Education programme and remain a focus for many visits to look at our curriculum, environment, teaching and learning. At a time when schools are facing increasing pressures daily to raise standards, our children have again secured good and outstanding progress and leave us well prepared for the next phase of their education. Everything changes again next term with a new National Curriculum and a new National system of assessment!

Thank you for your continuing support for our popular and successful school.
