3 October 2019

Parent Workshops

Dear Parents/Carers

We will be holding a workshop for parents that will focus on the following curriculum areas:

- Reading and Spelling, Punctuation & Grammar – Mrs Noel and Miss Dare in Centaurus Class
- Maths – Mrs Stevens in Pegasus Class
- Phonics – Mrs Taylor in Pyxis Class

The sessions will be held on Thursday 10th October 2019. Each session will last approximately 20 minutes. You may drop in to any of the classrooms at the times below:

- 3.15pm - 3.35pm
- 3.40pm – 4.00pm
- 4.05pm - 4.25pm

These sessions will include help and advice on how you can support your child at home through fun games and activities that make learning in maths, reading, SPaG and phonics both exciting and engaging.

By attending the workshop we hope that you will feel more confident when supporting your child with their homework or when discussing their school work in general. There will be an opportunity for you to ask questions too!

Best Wishes,

The Meare School Team

Four walls that hold tomorrow ...
