Wednesday 15 July 2020

Dear Parents/Carers

We have agreed the class structure for September and would like to share this with you. Parents of current Reception children have already been informed which class their child will be in next year.

We are excited to welcome three new members of the Magical Meare Team. Mrs Bates, who will be teaching Pegasus Class while Mrs Stevens is on her maternity leave, Mrs Kingdon who will join Mrs Bates and Mrs Hicks as TA in Pegasus Class and Mrs Rogers who will be taking over the reins as SENDco. The children who have been in school have had the opportunity to meet their new class teachers (socially distanced of course).

Mrs Rogers will be in school on Mondays and she will be organising an opportunity for our parents of children with SEN to meet her early in the new term.

Further details concerning September will follow shortly.

Kind regards,

Jan Fellows
Headteacher
