St Mary's Road, Meare, Glastonbury, Somerset BA6 9SP

Wednesday 4 November 2020

Dear Parents and Carers,

This afternoon the Government voted for a national lockdown beginning at midnight tonight and continuing until Wednesday 2 December. The government expectation is that schools, colleges and universities will remain open throughout the lockdown and your child should attend school as normal.

We completely understand how unsettling and worrying these times are and we wanted to reassure you that we will continue to vigilantly follow the government guidelines we have had in place since September. We thank you for adhering to our staggered drop off and pick up times, social distancing while you are waiting and leaving promptly via the one way systems we have in place. All of this enables us to continue to keep our children, parents and school community as safe as possible. Rest assured that we will continue to support, nurture and care for your children while ensuring they feel safe and enjoy their time at school. Nothing stops the magic at Meare!

Thank you for your continued support of our team and our school. It is greatly appreciated. If you have any concerns or worries, please do not hesitate to contact the school via email or telephone.

Kind regards

Mrs Fellows and the Magical Meare Team
