**Headteacher: Mrs Jan Fellows**

St Mary's Road, Meare, Glastonbury, Somerset BA6 9SP

Thursday 8 July 2021

Dear Parents/Carers

We have agreed the class structure for September and would like to share this with you. Please see the reverse of this letter for details. Parents of current Reception children have already been informed which class their child will be in next year.

We are excited to welcome two new members of staff to the Magical Meare Team. Mrs Kirby joined Centaurus Class after half term and Miss Coldwell will join Draconis Class from September. From September, we will be welcoming Mrs Stevens back from maternity leave, which means we sadly have to say goodbye to Mrs Bates. We want to thank her for all of her hard work and dedication over the past year. Both the children and team will miss her and we wish her well in her future adventures.

Mrs Rogers will continue to be in school on Mondays and she will be organising an opportunity for our new parents of children with SEN to meet her early in the new term.

The children will be meeting their new class teachers (socially distanced of course) today during our transition session.

Further details concerning September will follow shortly.

Kind Regards

Jan Fellows  
**Headteacher**

Four walls that hold tomorrow ...

Class	Year Groups	Staff team	<b>Anticipated</b> number of children
