St Mary's Road, Meare, Glastonbury, Somerset BA6 9SP

Dear Parents & Carers,

This evening we have received an email from Somerset County Council advising us to stay open only for vulnerable children and the children of key workers. This means that Magical Meare will not be opening its gates to all of our lovely children tomorrow as we had planned.

As you can imagine, organising everything for this change will take us a little time and we intend to use tomorrow sorting out provision for your children. Therefore, school will remain closed tomorrow and will open its gates for some children on Wednesday. We will be contacting you tomorrow if your child is eligible for a place. Equally, if your circumstances are changed and you are now a key worker, please call the school office tomorrow so that we can organise a place at school for your child.

We are extremely sad to be sharing this news at all, let alone at such short notice. We were very much looking forward to 2021 being so much better than this.

We thank you for your continuing patience and kindness at this time.

The Magical Meare Team

Four walls that hold tomorrow ...
