

Our School Vision

.....Four walls that hold tomorrow.

This is our school vision and we aim to achieve this by following our four key principles which underpin all that we do

We foster positive relationships

Our children learn to be strong and independent from a base of loving and secure relationships with parents and/or a key person. We value relationships with children, staff, parents, governors and the wider community

We recognise every child as a Unique Child.

Every child is a competent learner from birth who can be resilient, capable and self-assured. We employ a holistic approach to each child, nurturing their academic, physical and emotional needs.

Meare Village Primary School aims to equip our young people with the skills and mind set to thrive and take on the world. By developing these skills, we believe that our children will have success today and be prepared for tomorrow.

We provide an enabling environment

The environment plays a key role in supporting and extending children's development and learning. In our quest to become life-long learners, we use the environment to inspire, engage and innovative.

We acknowledge the value of all learning

Children develop and learn at different rates and all areas of learning and development are equally important and interconnected. We celebrate success by recognising and valuing every child's personal achievements and contributions.
