Dear Parent/Carer

On Monday 23 May Pyxis Class will be spending the day at Station Farm in Westhay on a Forest School trip. This will take place during the normal school day with the children returning to school for 3pm.

We ask that the children come to school in their outdoor education clothes, appropriate to the weather, and very importantly (whatever the weather) long sleeved and legged clothing is essential to prevent ticks and Lyme disease. Suitable footwear - sturdy boots or wellies – they will get wet and possibly very dirty. In case of wet weather, please ensure that coats have a hood. We will be able to provide waterproof trousers. In case of hot weather, lightweight long sleeved clothing can be worn.

A packed lunch will be provided but ***please send your child with a drink.***

A voluntary contribution of £5.00 will be required from each child to cover the cost of transport there and back.

Please return the permission slip below by Monday 16 May. If you have any further queries about the trip, do not hesitate to ask.

Yours sincerely

The Pyxis and Outdoor Learning Team
