1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
-

- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Issuing fixed-penalty notices, where necessary

3.3 The attendance officer

The school attendance officer:

- Monitors attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the headteacher
- Works with Education Safeguarding officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

3.4 Class Teachers

Class Teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

3.5 School office staff

School office staff are expected to take calls from parents about absence and record it on the school system.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.40am on each school day.

The register for the first session will be taken at 8.45 am and will be kept open until 8.50am. The register for the second session will be taken at 1.15pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 9am or as soon as practically possible (see also section 7). They can notify the school by telephone or by email to the school office.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment, by telephone or email to the school office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L before 9am)
- After the register has closed will be marked as absent, using the appropriate code (U after 9am)

The School Attendance Officer makes contact with parents/carers if there are ongoing punctuality issues.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by 9.30am by text messaging the parent/carer. If a response isn't received a telephone call will be made.
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

4.6 Reporting to parents

During the autumn and spring terms, teachers will share each child's attendance on their child's mini-report. There will also be a written report on attendance annually in the pupil's end of year school report. Where a child's attendance drops for whatever reason, our school will write to the parents to highlight this, unless there is a good reason not to.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

Only exceptional circumstances warrant an authorised leave of absence. The school will consider each application individually, taking into account the specific facts and circumstances and relevant background context behind the request. The request must be made by the parent with whom the child normally lives, and permission must be sought in advance. The school will not grant leave of absence unless there are exceptional circumstances. The school must be satisfied that there are exceptional circumstances, based on the individual facts and circumstances of the case; following consultation with other staff as required, including the Designated Safeguarding Lead. Where a leave of absence is granted, the school will determine the number of days the pupil can be away from school. A leave of absence is granted entirely at the Headteacher's discretion.

Circumstances which could be authorised include significant family emergencies or funerals. However, parents will also be aware that, wherever possible, it can be better for children to continue to attend school normally during difficult family times.

Parents should complete a Leave of Absence Request form which is available from the school. The request should be submitted as soon as it is anticipated; and wherever possible, at least **four weeks** before the absence. **Although such absence may be unauthorised, it is better that we know your child is safe, rather than missing.** Please be aware that you may be required to provide us with additional evidence in order to support your request. If we have any concerns about possible safeguarding risks such as risk of FGM or Forced Marriage we will follow the necessary protocols. (Please see our school's Safeguarding Policy for more information.)

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

5.2 Reducing persistent absence

Sometimes pupils can be reluctant to attend school. We encourage parents and pupils to be open and honest with us about the reason for the pupil's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. As a school, we need to understand the reasons why a pupil is reluctant to attend in order to be able to support pupils and parents in the best way.

When we have concerns about the attendance of a pupil, we will do our best to make the parent/s aware of the concerns about their child's attendance and give them the opportunity to address this. However, if parents do not make use of the support offered and improve their child's attendance to an acceptable level, this may result in legal sanctions. Parents may be asked to meet with the Headteacher and / or PFSA (Parent Family Support Advisor) to discuss the matter. In some cases, this may result in a formal action plan being produced in the form of an Attendance Contract or support from the Team Around the School being offered.

If our school refers a case of poor school attendance to the Local Authority for legal sanctions, we will show that we have warned the parent/s that they are at risk of receiving a Penalty Notice or other legal sanction. This will at least be evidenced via the sending of a warning letter.

We will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances our school will take a holistic approach to the issue, and involve other agencies as necessary. The exception to this will be where parents fail to accept or engage with support offered by the school and/or other agencies, or fail to implement the suggested changes. Again, when referring for legal sanctions, we will show that we have warned the parent/s that they are at risk of receiving a Penalty Notice or other legal sanction.

If our school has safeguarding concerns about a pupil who is absent we will share information with other agencies as we deem necessary.

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

Our school aims to meet its obligations with regard to school attendance by promoting good attendance; ensuring every pupil has access to the full-time education to which they are entitled; and acting early to address patterns of absence.

This policy sets out our school's position on attendance and details the procedures that all parents¹ must follow to report their child's absent from school.

It is vital that children develop regular attendance habits at an early age. Therefore the school will encourage parents of Reception children who are not yet compulsory school age, to send their children to every session that is available to them. If the child is unable to attend the school for any reason, the parent should inform the school of the reason on the first day of absence. If the school is concerned about a pupil's attendance for any reason, we will contact the parent to discuss the matter, in the first instance.

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

¹ Education law defines parents as: all natural parents, whether they are married or not; any person who has parental responsibility for a child or young person; and any person who has care of a child or young person i.e. lives with and looks after the child. In this policy the term 'parent' includes parents and carers.

We want our pupils to attend school every day, unless they are really not well enough to. We believe that children who attend school regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. We want all our pupils to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise their full potential. Regular attendance and punctuality is essential in the workplace and children who are used to attending school on time, and on every occasion unless they are too unwell to attend, will be better prepared for the attendance expectations in the workplace.

We will do all we can to encourage our pupils to attend. We will also make the best provision we can for any pupil who needs additional support in school or who is prevented from attending school, due to a medical condition.

Please see DfE guidance documents '[Supporting pupils at school with medical conditions - December 2017](#)' and '[Ensuring a good education for children who cannot attend school because of health needs- May 2013](#)' – or ask the school for printed copies.

We believe that one of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents.

By promoting good attendance and punctuality we aim to:

- Make good attendance and punctuality a priority for all those involved in the school community
- Raise our pupils' awareness of the importance of good attendance and punctuality
- Provide support, advice and guidelines to parents, pupils and staff
- Work in partnership with parents
- Celebrate and reward good attendance and punctuality

7. Attendance monitoring

The attendance officer at our school monitors pupil absence on a weekly basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a pupil's absence goes above 3 days, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continue to rise after contacting their parent/carer, we will consider involving an education safeguarding officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

The school will record reasons for absence using the school data system SIMS. Office staff will include as much detail as needed. If a phone call is made home then the time and details of the phone call and any details of messages left will be recorded.

Class teachers and cover teachers have the responsibility of recording attendance accurately and in a timely manner.

Office staff record information left on the absence line into the school's data system SIMS. They then follow up any unexplained absences and follow up accordingly.

The Headteacher and DSLs ensure that the office staff know of vulnerable children and the office staff inform the Headteacher or DSLs in her absence of any concerning absences or unexplained absences of vulnerable groups. If there is no reason given or there is reason to think that a child may be at risk, then the DSL will contact children's social care or the police to do a welfare check.

The school PFSA (Parent Family Support Advisor) in conjunction and discussion with the Headteacher has the role of monitoring trends and patterns of absence so appropriate actions can be taken e.g.

- Follow-up action-plans for pupils with low attendance
- Timely liaison with home – this may be through letter, phone call or email.
- Referral to outside agencies

The Governing Board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

The safeguarding governor also has responsibility to monitor attendance. Attendance of vulnerable groups, the actions taken to improve attendance and the impact that this has had will be the main focus of monitoring visits.

The Headteacher

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and requests fixed-penalty notices, where necessary.

The headteacher has responsibility for interrogating attendance by group, such as pupils entitled to Free School Meals, Pupil Premium pupils, pupils with SEND, Children in Care, attendance by Ethnicity and Language (English/EAL).

Designated Safeguarding Lead (DSL)

The Early Help process will be instigated for families with issues that impact on attendance and support put in place to improve attendance. This may be in conjunction with other professionals such as the PFSA.

The DSL regularly checks attendance data for children on CIN (Child in Need) or CP (Child Protection) plans and takes appropriate action based on any concern. Regular liaison with parents should include the implementation of timely action plans and regular meetings to review progress against targets. The DSL may also refer to education safeguarding, Family Intervention Service, Team Around the School, the police or children's social care for additional support.

Attendance Officer

The school's PFSA (Parent Family Support Advisor) carries out the role of attendance officer and the role includes:

- Monitoring attendance data at the school and individual pupil level.
- Reporting concerns about attendance to the headteacher and Designated Safeguarding Lead (DSL) as appropriate.
- Arranging calls and meetings with parents to discuss attendance issues.
- Co-ordinating requests for Term-time Leave of Absence (this includes liaison with the DSL and Safeguarding Team) and advises the headteacher as requested.

Team Around the School

If needed a child can be referred for Team Around the School support. This involves attending a meeting with external agencies e.g. Family Intervention Service, Police, Health etc who can offer advice to families regarding improving attendance. With this external advice the hope is that attendance will improve and further support or legal action will not be needed.

A case may be considered at TAS when there are at least 6 sessions of unauthorised absence. This does not need parental permission.

Class Teachers/Form Tutors

Class teachers and cover teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

Office Staff

School office staff are expected to take calls from parents about absence and record it on the school system. They also have the responsibility of highlighting absence of vulnerable children to the DSL or Headteacher so that actions can be followed up in a timely manner.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum biannually by the Headteacher. At every review, the policy will be shared with the full governing board.

9. Links with other policies

This policy links to the following policies:
