Dear Parent/Carer

It has been another busy and successful year! We kicked off with the Highland Games launch in the Autumn term as part of learning about Scotland and the vote for Independence. The hugely popular Remembrance Assembly was extremely well attended and reduced much of the audience to tears! This event proved so popular we will be holding a similar assembly this year. The KS1 and Early years production was a Meare take on a Dickens classic and the children had great fun filming 'A Christmas Carol' in and around Wells. As part of the 'Enter the Dragon' Learning Quest there was a Dragon Storyteller and Fire breathing Friday and 'Time is Money' included a huge learning focus on the general election, including a whole school vote and a visit to the polling station. The Learning Quest was then brought to a close with a whole school visit to the beach and a performance of the KS2 spectacular 'Seas The Day'. There have been too many visitors and visits to list including @Bristol and The Houses of Parliament. The school continues to be a focus for local and national visitors who remain interested in the creative approach to the curriculum. As part of the Local and National Leader of Education programme, Mrs Eveleigh has supported two local schools across the year.

I am sure you will agree that we are lucky to have such a creative and successful school at the heart of our community and this year, staff commented on the number of parents who have taken the time to express their appreciation to the team. Thank you for this - it makes such a difference!

Outcomes in National tests were as follows:

KS1 SATs results

	Reading	National (2014)	Writing	National (2014)	Maths	National (2014)
