School Development Plan: 2024-25

OBJECTIVES FOR 2024-25 - "ALL LEARNING FLOATS ON A SEA OF TALK"

QUALITY OF EDUCATION	INTENT	Embed geography scheme of work so it is in line with history
		Embed use of NCETM to drive teaching and learning in maths so T&L is high-quality
	IMPLEMENTATION	Develop the use of THINK, PAIR, SHARE in the 'we do' parts of lessons so that learning is enhanced for all
		Embed dictation practices in writing so that standards continue to rise
		Develop a range of recording methods in writing for children with SEND so that they ably demonstrate their understanding
	IMPACT	SEND children will achieve better in writing due to alternative outcome methods
Boys writing attainment will improve due to improved oracy within writing lessons		
PERSONAL DEVELOPMENT	Embed 'umbrella talk' once a week to broaden children's philosophical outlook	
	Develop a 'debating culture' in class to improve pupil's oracy	
	Provide a debating club in school to ensure children have further opportunities to develop debating skills	
BEHAVIOUR & ATTITUDES	Embed restorative practices to ensure behaviour remains good or better	
LEADERSHIP AND MANAGEMENT	Embed sustainable improvement through a rigorous and timely monitoring schedule with well-informed foci based on findings of subject leaders, so all teachers know their subjects well	
	Develop Relationship Policy and procedures to sit in line with our school vision and values	
	Embed expertise of Governing Body in their monitoring of the school so that all governors have a detailed picture of the school's strengths and areas for development	
EYFS	Embed language acquisition in EYFS through high-quality modelling so that our youngest children continue to achieve their best start
